

H.E.R.C. President Dan's Editorial; Hi Everyone: The final launch of the Space Shuttle Endeavor was a spectacular sight, however, sad in a way that it was the end of an era. Only one more launch to go, the Atlantis, which is scheduled for July. The Pilot Travel Center and Dennys is now complete. They are doing some beautiful landscaping now. Now we can run down for a "Grand Slam" breakfast! We had a good turn out for the Kentucky Derby party. nice social and tasty snacks. Thanks to Maude Pefferman. Lots of folks are enjoying vacations including President Dan and wife Pat. To everyone traveling, be safe. P.Bennett V.P.
