

H.E.R.C. President Dan's Editorial; Congratulations to our new Board Members Trish Orendorff, Secretary, and Bill Ellis, Director. Looking Back to February:

It was exciting to see the volunteers from the community come forward for the February Sales event. To each and every person that contributed or worked in any capacity, **JOB WELL DONE!** February had many successful events. The **Lot Rent Drawing**, Gene & Arlene Desrosiers were the big winners. Thanks to the ticket sellers. The **Spaghetti dinner**; "Way to go" to Elinore, and all of her helpers. **Show Two** was great fun, thanks to Pat and those who helped. We also had a special **Pot Luck, Ice Cream** and great **Dances**. Thanks to our hosts. **Looking ahead** we have a Bean Soup dinner, a Pancake breakfast, a St. Pat's dance, a Golf tournament & Luncheon, Ice Cream, a 50/50 dance, the third Show. See you there.

New Game to Play Sunday

March 20th: Open only to park residents with 5 stops around the park. At each stop, a card is picked up. The object is to have the best card hand. The participants are to pick up these cards anytime between 2 & 4 pm and then return to the Clubhouse for socializing and wait for everyone to return. Depending on the # of participants, prizes will be awarded. Contact Ruth Emrick (# 219) or Edie (#102) for more details. This is a BYOB function .

Open House's for Resales on
March 26th 1:00 to 4:00 pm.

We are advertizing locally and Linda is organizing this from the office. We need some volunteers to act as greeters for a few of the houses. We are hoping to make more people aware of Heartland

Welcome Ed Landry Lot# 191: Ed is from Massachusetts and the proud grandfather of 16 and has one great grandchild. He has been wintering in Florida for several years, but after visiting Dick and Joyce (Ed's sister) Rousselle (Lot 277), he decided Heartland was a good place to call home. He is playing golf, poker and pool. He loves to cook and trying out new recipes and is looking forward to getting involved in other park activities.
