

H.E.R.C. President Dan's Editorial; Hi everyone, welcome back to solitude, or as close as you can get in a busy part of the country like ours. I guess our big subject for the next couple of months has to be a plan for summer activities, so if you have a great idea for an activity, let me know. Don't forget the weekly Coffee meetings on Thursday and the daily "swims". Watch the marquee for special comments or perhaps a quickly organized, and yet unscheduled meeting. Relax and enjoy these lazy days, and by all means be safe.
