

H.E.R.C. President Dan's Editorial; Hi everyone. **The Clubhouse will be closed October 3rd, and 4th.** Please note that Show ticket sales and 50/50's will begin at the November Business Meeting. Thanks to all our pizza helpers, Pat and her salad makers, and all of you who attended.

Special thanks to the Boyer's, lot 249, for the roaster oven for the kitchen, and to the Payton's, lot 3 for the helium tank and balloons for special occasions. Please watch the calendar and the marquee, as "seasonal activities" will begin in October. Got a saleable item, call a Board member and we will pick it up for the February 4th auction. Be safe and be happy!

Recycling has come to Heartland Estates.

Paper and aluminum can recycling is unchanged and **have their own containers.** But just about **everything else** can now be **recycled in the new LEFT dumpster.** All **plastic** with the "Pete" symbol as well as **foam** with the "Pete" symbol, **all glass, all tin or steel cans, all box board and all cardboard** are acceptable. No separation..**everything is co-mingled.** Just be **sure there is no garbage in the recyclables.**

World Record. Chris Stevens of New Richmond, Wi. brought his 1810.5 pound pumpkin, to the Stillwater Harvest fest in Stillwater, Minnesota, on October 9,
