

**H.E.R.C. President Dan's**

**Editorial;** Hi everyone. Remember, our **Pizza party, "free to residents only"** is **Tuesday September 6<sup>th</sup> at 4 PM.** Sign up and select your favorite pie. If you have overnight guests, a donation would be appreciated. For our annual Clubhouse cleaning, we're going to need help cleaning the kitchen, at 9:30 AM on September 29th, and clearing the floor areas on October 2<sup>nd</sup>, at 3:00 PM. Please sign up to help when we put it on the marquee. **The Clubhouse will be closed October 3<sup>rd</sup>, and 4<sup>th</sup>.** Doug, our Librarian, asks that we only submit books suitable for a library. He's getting a lot of throwaway quality books, and it adds to his job. Got a summer pickup for the flea market, let a Board member know. Be safe and be happy!

**What may be killing your Palm Tree?** A disease carried in the vomit of Planthopper Insects can do this. They are about the size of a pin head and spread the disease by piercing a leaf on a palm and then vomiting. The vomit breaks down the leaf and the insects sucks the nutrient from the plant.

**A craft show will be held in Heartland Estates** on the 19th of November 2011 from 9:00 to 4:00. Crafter's wanting to rent a table should contact Elinore at 419-0421 or glgeiger@aol.com.
